

# Snohomish Panther Football

**Dear Donor,**

As the Snohomish Panther Football Booster Club, a non-profit 501(c)(3), our organization's primary goal is to support the Snohomish High School Football Team in several different ways in order to provide the highest caliber experience for all our players, coaches, and community. As volunteers, we organize community events, weekly team dinners, camps, provide much needed equipment and safety gear, and help supplement a variety of needs throughout the season.

Without the continued generous support from our community sponsors, our organization would not exist. Your charitable donations will help cover the costs of all already mentioned as well as other needs such as:

- Purchasing, reconditioning, and maintaining necessary high quality equipment
- Community involvement and events
- Scholarship program to ensure all players compete regardless of financial ability

Partnering with us via your donation invests in the lives of all those impacted by Snohomish Panther Football both this upcoming season as well as all those that come after.

**Together, we truly are ONE HEARTBEAT.**

*With gratitude,*

*Your Snohomish Panther Football Booster Club Board*
